

If I Could Do Anything, I Would...

- ...Figure out a cure for cancer
- ...Build a movie theater on the moon
- ...Be an underwater explorer

Welcome to Doodle 4 Google, a competition where we invite K-12 students to work their artistic will upon our homepage logo. At Google we believe in thinking big and dreaming big, so this year we're inviting U.S. kids to exercise their creative imaginations around the theme, "If I Could Do Anything, I Would ..."

We're looking forward to the kids' answers too. Gather those art supplies and some 8.5" x 11" paper and encourage your students to enrich us all with their creative visions for what they would do in the world, if they could do anything.

## Grade Groups

The Doodle 4 Google competition is open to all U.S. residents between the ages of 5 and 18 who attend elementary and secondary schools (i.e. grades K-12). In the U.S., doodles will be judged in the following brackets:

- Grades K - 3
- Grades 4 – 6

## What to turn in:

Your doodle and a statement of up to 50 words explaining the "If I Could Do Anything, I Would..." theme.
